

RIDGEWOOD
HIGH SCHOOL

1st March 2024

Dear Parents and Carers,

Year 10 Parents Revision and Study Evening

At Ridgewood, we are committed to ensuring that parents and carers have the tools to support their child, with their learning, revision and independent work at home. This is of particular importance as students approach the end of Year 10 and the beginning of their final year at secondary school.

To support this, we would like to invite you to our Parents Revision and Study Evening, taking place on **Thursday 14th March, from 6-7pm**. This will take place in the main school hall. This evening has two important factors. Firstly, we will share with you the upcoming dates and events for Year 10 as they move through the next year. This will include information about Mock Exams, Revision Activities, and other stepping stones in the run up to their final examination season in Summer 2024. This will be delivered by Mrs Hill. The second part of the evening will be some practical advice and top tips when it comes to revising; for example, how to put together an effective Revision Timetable, and strategies for making learning stick and embedding it into the long-term memory. This will be delivered by Mrs Harper.

The evening will be the first of two evenings on this subject. The second evening will take place when students are in Year 11, and this will focus on revision specifics in core subjects, support for students' mental health and well-being, and a reminder of effective revision ideas.

Our school hall has a limited capacity, so we would ask that only one parent accompanies their child to the evening. Parents are reminded that parking is limited on our school site and so if it is possible, please walk to school! Please confirm your attendance through Edulink, under 'Y10 Parents Revision and Study Evening'.

We know that effective partnerships between school and home lead to excellent outcomes for students, and your attendance at this evening will ensure you feel equipped with the information you need to provide support for your child during this important period of their academic lives.

EduLink

If you could kindly confirm your attendance by completing the form on EduLink, we would be most grateful:
