

RIDGEWOOD
HIGH SCHOOL

6th February 2024

Dear Parents/Carers,

Ridgewood High School Year 11 Intended Destinations

As your child prepares to sit their GCSE examinations and thinks ahead to life after Ridgewood, we are, once again, at the time of the year where we need to collect data as part of the September Guarantee on the intended destinations of 2024 Year 11 leavers. This will enable both the school and the Local Authority to track responses and offer targeted careers guidance to those without an intended destination where appropriate later in the year.

Schools are responsible for checking with student leavers as to the next steps in their education journey post-GCSE. Support and guidance will be given by the Local Authority to those who need it, throughout your child's next steps as they move into further education, higher education, and the working world.

As such, we need every family of a Year 11 leaver to help our students to complete the following form, which should take no more than a couple of minutes. This gives Ridgewood High School, Connexions and the Local Authority information on where your child may be registering for study in September, and if further support to find a placement is needed.

Please follow the link attached to complete the required information. **The deadline for this is 10th May 2024.**

Yours faithfully,

Mrs J Truslove
