"We'd like to say a big thank you for all the information we have received over recent weeks, as well as the induction videos from staff and students. TESTIMONIALS

“I just want to take this opportunity to thank you and the team at Ridgewood for an amazing start to William and Jack’s Year 7. Both Boys have settled into High School Life well and return home full of news about their school day. It has been a very different start to High School than expected due to COVID-19 and despite anxieties by both the boys and myself their transition has gone well, from the sharing of information via emails prior to the beginning of the school year to our school visit the day before the start of term. I feel that the tour the day before the start of term gave both William and Jack the confidence they needed regarding where they were going and what they were doing on their first day, and enabled them to ask some questions. They are both confident that they know who and how they can ask for help and support, I know Mrs Du Mont’s name has been mentioned a few times, along with their form tutors.

I must admit that although there were the expected first day’s nerves, the day started and finished with a smile. Please convey our gratitude to all of the Year 7 team and the rest of the staff at Ridgewood High School.”
